STATUS: EQUIPMENT IS SATISFACTORY AT THE TIME OF INSPECTION

***Any alteration/major repair/modification made on the equipment will deem this certificate/report invalid.**

This is to certify that the undersigned competent representative did attend to examine this equipment/machine to assure that it is in safe working condition. Examination indicates that the said equipment has no indigenous defects and it is in safe working condition at the time of inspection. The said equipment was found satisfactory for further FIT TO USE, provided there is continuous maintenance applied and only qualified operators employed. Inspection certificate/report shall not be reproduced except in full without the approval of the inspection body RSC and the client.

Eng. RajaGopal
INSPECTION ENGINEER

AUTHORIZED SIGN

This certificate is granted subject to the condition that is understood and agreed that nothing herein contained shall be deemed to relieve any designer, manufacturer, seller, supplier, repairer or operator of any warranty, express or implied, and Radiant safety consultancy liability shall be limited to the Acts or Omissions of its employees, agents and subcontractors. Under no circumstances whatsoever shall RSC be liable for any injury or damage to any person or occurring by reason of negligent operation or any defect in materials, machinery, equipment or other items other than such defects ascertainable by normally accepted standards and only those items actually inspected by RSC and which are covered by this certificate. This inspection results relate exclusively to the work ordered or the object or the lot inspected. This Register of Test Certification is as required by the United Arab Emirates Federal Ministry Law no.8 & ministerial Order No. 32, and Article (20) and Local Regulations.
